

SRPBC Association 3/15 Meeting Minutes

- Motion to start the meeting Bill Pinto, second Ronald Reid
- President Golba started with comments on the postseason and commended crews for a great job:
 - One forfeited game was to be partially paid but the srpbc board objected and the matter is ongoing.
 - It is clear that scheduling conflicts need to be worked out as there was too little notice for many of the postseason games.
 - The method of ranking teams by max preps is done last minute and drives uncertainty regarding matchups.
 - One additional issue is that too many officials block themselves on Fridays in Arbiter.
 - Recently one grievance has been handled by the grievance committee where an official touched a player.

- Harry Abel will attend the FHSAA officials advisory committee meeting at the end of the month.
- A reminder that Ernie di Leonardo will be 91 years old in April he is not able to attend today's meeting as he is in rehab.
- Yetta Greene thanked everyone for their efforts during these times
- We appreciate Bruce Mulholland and all he does!
